

TOTAL LIFE CHANGES™ 2015 COMPENSATION PLAN:

WAYS TO EARN!

Total Life Changes™ has created the most powerful hybrid binary compensation plan in the industry. It has been engineered to quickly compensate you for building a team by introducing new distributors to TLC's products and business opportunity. It also creates a lucrative residual income for your continued hard work. Let's explore what our compensation plan has to offer and why it is so powerful.

Here are five different ways you can earn with the Total Life Changes™ business opportunity:

1. Retail Customer Profits and Commissions

Total Life Changes™ (TLC) offers you the opportunity to establish a base of customers whose purchases generate retail profits as well as commissionable volume that will help build your commissions.

2. Fast Start Bonus!

As an IBO with Total Life Changes™, you can receive a 50% commission from any order (with commissionable volume) from your personally referred IBO. Each new person you personally sponsor makes you eligible for this program and these commissions are paid weekly. Adding team members frequently and consistently is the best way to keep a steady stream of fast start bonuses coming your way!

3. Binary Pay

As your team grows, you will receive binary commissions from not only those people you have personally sponsored, but from the purchases of the people they have referred as well. Your downline may help in creating additional commissionable volume by placing new IBO's in their downline. You will be paid a percentage, ranging from 10%-25% based on your lesser team (also referred to as your weak or pay leg) commissionable volume. These commissions are paid weekly with a \$20,000 binary cap.

4. Matching Bonus

Once you promote to the rank of Director you become eligible to receive the matching bonus. The matching bonus program rewards your commitment to refer others and help them succeed. You will receive additional commissions up to a 50% match of what your personally referred IBOs earn from their binary commission, as well as up to a 50% match of what their personally referred IBOs earn from their binary commission. This is also paid weekly.

5. Lifestyle Bonus

TLC realizes that as your business grows, so do your expenses. Once all qualifications have been met to earn the lifestyle bonus, TLC will reimburse IBO's up to \$1,500 to help offset these costs. This bonus is paid Monthly. To qualify for this bonus you must have a volume of 20,000 points on each payleg three times within a four week period.

QUALIFYING FOR COMMISSIONS:

STEP ONE: QUALIFYING VOLUME

In order to be qualified to receive commissions you must have qualifying volume.

There are several reasons for joining Total Life Changes™. The most dramatic is the absence of fees and major purchase requirements.

There is no charge or signing fee to become a member of Total Life Changes™. You can sign up without placing an order. You will get an account number AND your own website to begin promoting your business and entitle you to participate in TLC's lucrative commission plan.

The first of two qualifications to earn commissions is that you order a TLC product that creates at least 40 PCV. This can be achieved by purchasing a one-month supply of one of TLC's products; for example, Iaso Tea™ or Nutra Burst™. Each of these products has a corresponding volume that will qualify you to earn commissions.

Remaining qualified to earn commissions on customer purchases requires the personal purchase of a qualifying product with volume of 40 PCV on the monthly anniversary date of your previous order. This amount varies by rank. This may vary from 28-31 days depending on the month. Commissions are paid on the assigned volume value. A single monthly purchase of 40 PCV qualifies you to earn commissions from the retail and fast start bonuses. You can also earn Binary commissions once you become binary qualified.

WE PAY YOU ON ALL CUSTOMER ORDERS WITH VOLUME!

Total Life Changes™ management has dedicated themselves to researching and selecting the finest all natural, organic products that truly help others maintain overall wellness. As a Network Marketing company, we also know that not everyone wishes to make the commitment of building a business, but so many have enjoyed our products, that they continue to make purchases month after month. You will find that many people you have targeted as reps may only wish to purchase the product, but they represent opportunity. These "customers" play an important role in developing a rep's business because they represent opportunity in both the short-term and long-term. In the early stages of your business' development, customers can represent an immediate cash flow from their purchases. All customer orders with volume pay up to 50% commission, paid weekly. The TLC portfolio of products opens many doors for you to reach a variety of markets that demand holistic products to help cleanse the body, natural vitamins that vitalize the system or a source of energy that is completely natural and organic.

The long-term opportunity is the fact that many previous customers have reconsidered their needs and upgraded to an IBO, becoming a strong advocate of the products and offering their personal testimonials.

What happens when I get a message from Total Life Changes™ by phone or email that says the my autoship order could not be processed?

This can easily be corrected! You have three (3) options.

1. You can reply to the email and authorize us to attempt to process the card again if you are sure the funds are available.
2. You can place a new order today by signing into your account online and placing another order. You should also update your card in your autoship account for future orders. You can do this by signing into your account. You can select the icon for orders at the top of the page. From there you will select 'autoship' from the menu on the left side of the page. You will see the saved autoship profile on this next page and you can 'view/edit' your profile from there.
3. You can call our toll free customer service number, 1-888-873-1898 to place a new order. We can also assist you with updating your card information.

We would love for you to be using our awesome Total Life Changes™ products as soon as possible! Let us know what we can do to help you!

What is an auto ship order and why do I need it?

“Autoship” is the term that we use to refer to an order which processes automatically each month. An autoship order processes on the same day of each month with the same product and is billed to the credit card you have on file with us. You can change or cancel your autoship order by logging into your account and selecting ‘edit’ or ‘cancel’ in the autoship section of your account.

If you are an Independent Business Owner (IBO) or distributor with us you most likely have created an autoship profile with your first order automatically. You don't have to manually create an order each month to remain active and continue to receive commissions based on your sales and recruiting. If you're earning as an affiliate or an associate you need to have a minimum of 40 personal volume points to be eligible to receive commissions. If you're a director you need 80 personal volume points to remain eligible to receive commissions. As you promote in ranks your personal volume minimum increases. To see the personal volume minimums for each rank just review the TLC compensation plan.

Here's what you can do:

You may edit/view your autoship profile information with a new card or product. You can do this by signing into your back office. Select the icon for **autoship**.
